MARY CHOKY & LESLIE

For this insatiable slut, one cock is never enough...

“I used to be ashamed of the fact that I needed more than one cock to satisfy my sexual cravings. But I have come to terms with being a slut, and I never pass up an opportunity to indulge my double-penetration addiction.”

Those were the last words that Mary spoke to us before walking onto the set to take her latest double dose of cock. The sticks were already hard when Mary made her approach, and she immediately took one cock into her hand and bent forward to accept the second tool in her mouth.

After both bones were wet with spit, Mary hopped up on a table, pulled off her panties and opened her legs wide for the big moment.

“I like to take the first cock in my ass, and then let the second one pump its way into my vag,” Mary explained as she prepared for the DP. Taking her advice, Choky slipped his slick dick into her butt, and threw her a few hip thrusts before Leslie completed the act by pushing his knob into her box.

The boys had their way with her lower holes, and the lengthy slam session also included some occasional face fucking and a healthy dose of ass-to-mouth love before she took her much anticipated cum shower.

“I’m not gonna let a drop of this go to waste,” Mary said as she wiped the cum from her face and tits, then licked the goo from her fingers. ♣

LICK IT UP

I have a very good girlfriend who loves to give me advice. I tell her everything. One night over some wine I told her something that had been bothering me about my marriage. I let it slip that Don, my husband, had never licked my pussy.

Darlene was aghast, and she told me she had a plan to remedy the situation. I waited a couple of weeks and put her grand scheme into action.

When Don came home from work one day, I told him my pussy felt a little sore, and that it must have been the hard fuck he gave me the night before. I told him that I had called my doctor who had recommended rubbing something cold on it, and I asked him if he would help me out. He readily agreed, and in no time I was back from the kitchen with some ice cream saying we didn't have any ice cubes made.

In a couple of minutes, that cherry vanilla was all over my pussy, as was his tongue. And I have to say, he was damn good, and damn into it! Don had turned into an expert at eating me out and I was in total ecstasy! His tongue slathered all over my cunt as he licked away like this was the best thing he had ever tasted. Soon I was cumming, and I rewarded him with the best blowjob ever.

THE PERFECT PRESENT

I posted a note on an adult website asking for beautiful, young women who'd like to fulfill my husband's perverted dreams. He wanted to be delivered to a crowd of cum thirsty, cock hungry babes to do with what

they wanted to. It took me a while to select ten gorgeous women that I was sure could make him extremely happy. His "gift" ended up being a week late, but worth the wait.

He walked in the door one evening and was confronted by two big-titted, drop-dead beautiful blondes in thongs. I sat on the couch, watching. They got him up against the door and started making out with him—one kissing his lips and the other nibbling on his neck. Fondling the bulge that sprouted in his pants, they encouraged his wandering hands. When they had thoroughly whipped him into frenzy, he was asked to put on a blindfold and to come with us. I got my car keys, the girls threw on some clothes and we hustled to the car. As I drove to the hotel suite, the girls were with him in the backseat, fondling him.

We led him to the room and sat him on the foot of the bed while the two girls got undressed again. Another eight totally nude women stood silently along the wall in front of him, but he had no idea they were there until his blindfold was taken off. He nearly died!

They converged on him like wolves, stripping his clothes off slowly, constantly telling him he could look but not touch—at least

30351

not yet! Moaning with delight, he thanked me a million times. When his pants were unzipped and pulled down, I felt a surge in my own crotch just looking at his cock sticking out the top of his underwear. Someone bent down and kissed it.

Two women knelt and began nuzzling his erection through his underwear. They teased the hell out of him. Pulling his legs apart, they caressed and nibbled at his balls until the fabric was soaked with saliva. Finally, they stripped him naked. He lay down and several girls took turns mounting his face—smearing his smile with cunt juice. Hands were touching every inch of him, even his feet. Nipples were being delivered to his lips with a lusty invitation to suck. An Asian with jet-black hair was devouring his balls, begging him to spread his legs so she could lick his anus.

Already he was threatening to cum, begging to blow his wad into someone's face. A redhead pushed her way to the front and took control, telling him she'd be glad to take it in the face. Teasing just the tip of it first, she paused, licked her lips and went down on him full force. Red was rewarded with a blast of thick, creamy cooze. Everyone moaned at the force of his spurts. It was truly an orgasm that had come from the depths of his soul.

Before long, someone asked him to kneel. He did and was ready for anything. A girl stood with her butt in his face and bent from the waist. Pulling her ass cheeks wide open, she begged him to lick it. He pressed his face into the girl's glistening crack. Lapping at her like a hungry puppy, his erection slowly returned. As he stiffened, two blondes on all fours worked him from the front—one sucking his cock, the other devouring his balls. Miss Sondra crawled around back for seconds at his ass. I'm sure she had an anal fetish.

He was ecstatic, being licked and sucked by a nasty group of babes. They pushed each other aside for a chance to rub their cunt in his face. His cock was rock hard again, being fought over by no less than four greedy girls. He begged to fuck someone in the ass...Miss Sondra.

He knelt there, cock erect and throbbing as he watched a raven-haired beauty apply a generous coating of oil to Sondra's pooter. Sondra wiggled and squirmed until she was all the way down on him. Drawing every inch of his shaft deep inside her ass, she began to hammer down on his pole. She fucked his guts out for about ten minutes, then she clicked on a vibrator. With her moist pussy being tingled and her ass being plunged she got off almost instantly, and so did my husband. Suddenly there was such commotion I couldn't see what was happening. Finally, the crowd of naked women parted and my hubby lay sprawled and panting.

My birthday's coming up in a few months and our tastes are so much alike, I wonder what he'll do for me.

Best Wife Ever—New Jersey

JIZ JUNKIE

I know it's kind of weird, but I just love cum. My friends think I'm either crazy or a total slut.

The very first time a guy came on my face I was hooked. He'd been fucking me and he pulled out at the last minute and waved his spurting cock at my mouth. I wasn't quite sure what he was doing, but I got the idea when he started squirting it all over my face. It made me so hot to feel his jiz spraying all over me like that, that I started cumming right then and there. Then I licked all his cream up and sucked him off till he got hard enough to do me again.

Like last night, first I polished his knob until he was nice and hard, then I told him that I wanted him to fuck my titties. So he straddled my chest, grabbing hold of my boobs and wrapped them around his big boner. Then he squished my knockers together until the space between them was practically as tight as a virgin's pussy and he started sliding his dick right through them.

I bent forward a little and when his cock poked through the top of my titties I sucked it right into my mouth. He kept it there for a minute and I slobbered all over his fat head, sucking up the drop of cum from his pee slit and kind of nibbling on him, too, the way he likes. Then he pulled his tip out of my mouth and his cock slipped back through my titties.

It was all covered with my spit now and it slid real easy through my fleshy boobs.

That's when he started tittie-fucking me for real, shoving his cock through my knockers and into my mouth with every stroke. I grabbed hold of his balls with one hand then and started doing my clitty with the other. He was banging away at my tits by then and I knew he was already getting close, but that was okay, because just thinking about getting squirted with that hot load made me want to cum, too.

"Come on, baby," I said, kind of egging him on. "Do it! Squirt me with it, baby!"

"Oh, yeah!" he groaned and all of a sudden his cock exploded and I was getting a face full of his spunky cream. That was enough for me and I went over the edge, my little clit vibrating like crazy under my fingers as his sauce covered my face. I opened my mouth wide and caught some of the spray, lapping at his cock as it kept firing away. And then I let go of my clit and wiped the cock cream from my face and gobbled it up off of my fingers, even as he was still shooting it out. Finally, I wrapped my lips around the head of his still hard cock and sucked the last drops out, wishing there was more.

So, yeah, maybe I am a slut, the way I like cum so much. But you sure don't hear my man bitching about it.

STACEY & JAMES

An expert cocksucker like Stacey is always up for some meat in her mouth...

Stacey is quite the little minx in the sack, and her sly fuck buddy, James, has taught her every filthy trick in the book. When they first met, Stacey was practically a virgin.

James was only the second guy ever to shag her, and from that time onwards he's been working hard training her to take it exactly the way he likes it—in both the front AND back. At first, she was hesitant to allow him access to her hiney hole, but after he humped her into few killer climaxes, she was much more amenable to taking his cock in her ass.

It didn't take long for her to start digging the back door bangouts best, and she moans louder when he's sunk balls deep in her stink than she does when he's sunk in her pink. James just does whatever it takes 'till the time cums when he's able to bust his nut all over her tight bod. ♣

Lisa Ann is every man's wet dream cum true. There's nothing this superslut won't do and in her hardest movie yet, the XXX legend proves just that...

With worldwide recognition surrounding her hardcore impersonation of controversial American politician, Sarah Palin, Lisa Ann is an impeccable seasoned player whose star continues to outshine most newbies in the jizz biz. A multiple award-winning actress whom is recognized for her erotic excellence, including earning the coveted title of "MILF/Cougar Performer of the Year" at 2009 and 2011's AVN Awards, Lisa Ann is as hot as they come. In fact, her body is a virtual wonderland of feminine delights that make her a favorite star amongst porn star aficionados. From her cascading brown hair, bazooka boobs—not to mention her impressive double bubble—Lisa Ann is where it's at. With an angelic face, bangin' body, and hardcore style—movies that showcase her on the cover continually fly off the shelves at record rates, including such blockbuster productions as: *Mandingo Hide Your Wives* from Jules Jordan Video and Live Gonzo's, *Lisa Ann: Fantasy Girl*. Those prestigious accolades, along with her smoldering smile and killer pussy—are enough proof to say that like fine wine, this juicy grape is only getting better with age!

Agreeing wholeheartedly—director, Jonathan Morgan and Wicked Pictures have created a star showcase upon which to bask this beauty in the glowing spotlight she deserves. In this special project, Lisa Ann gives a personal nod to her legions of fans by allowing them not only to choose the porn stars she will fuck in the movie and determine the gauntlet of spicy sexual scenarios she will face, but also the task of actually naming the production. With that said, we are pleased to bring you: *Lisa Ann: Can't Say No*, a six-scene masterpiece, created just for you.

When I arrive on set, Lisa is already in action. She's cascading down a flight of stairs wearing a hot pink skirt that barely houses her ample ass, and a matching bra that is screaming to stay fastened across her 38DD chest. Her silky brown hair is neatly arranged in an elegant up do that accentuates the curve of her sexy shoulder blades and her legs are wrapped in silk stockings. "Is this what you are going to wear to the restaurant?" Manuel Ferrara smiles, recording her every move with his handheld digital recorder. Seducing the camera with her glossy lips and juggling her jumbo tits in her palms, Lisa Ann teases, "I kind of had a change of plans."

Now together, Lisa Ann tears her monster titties out of her bra and shoves them into his camera lens. The lens fills, causing his boner to bulge and his shorts to tighten around his hips. Continuing with her naughty tease session, she bends around the staircase and allows Manuel to test the snap of her pussy and the elasticity of her asshole with his fingers. "Can I take your skirt off?" He continues, wedging his digits into her deep holes, while still trying to maintain proper focus with his camera. "Yes, please," this kinky kitty purrs—ready for more playful action.

"May I have this for dinner instead?" she continues, slamming his cock out of his shorts and into her mouth. With long, deliberate tongue swipes—Lisa Ann has his dick dripping with warm saliva in a matter of moments. Paying equal attention to pleasure his balls, Lisa Ann fills her mouth up with his nuts like a greedy chipmunk.

Now rendered a dripping wet mess, Lisa Ann is led to a buttery yellow couch and is planted on her hands and knees in a well-crafted doggie squat. Sinking in from behind, Manuel slams his cock into her asshole—making her squawk and squeal like a prized parrot. Barreling back on him with the same intensity, these two bang against each other like drums. After several more anal and vaginal positions, Ferrara ends his POV performance by splashing his crème fraîche across her juicy melons.

From here, Lisa Ann goes back into the make up chair, and reemerges looking like Aphrodite incarnate in a stripped bikini, turquoise jewels adorning her neck, and her hair pulled back into a sexy ponytail. Taking her place on a gilded chaise lounge, Lisa allows the sun to kiss her golden skin. After plenty of body ogling from Morgan's lens, we see Jenna Presley in the distance. Soon, she emerges from the water in a skimpy blue bikini, positively dripping with curvy goodness, from head to toe.

Standing above Lisa Ann, Jenna allows the water droplets from her body to cool her sexy conquest. Once she has Lisa's undivided attention, she lowers down and graces the smokin' siren with a flurry of passionate kisses that leaves both of their lips and bikini bottoms wet. Continuing with the skin show, Presley molds her small hands around Lisa Ann's womanly body—worshiping her every curve.

"You're so beautiful," Jenna delights, parking herself between Lisa's sculpted legs. Peeling her panties down, Jenna happily gets to work by smacking her mouth, tongue, and lips around her juicy box. "Suck that pussy," Lisa Ann hisses—holding Jenna down in place, stealing the breath from her lungs with some pussy-to-mouth connectivity. Eventually coming up for air—Presley looks fuck drunk and pussy happy as her chin glistens with splashes of Lisa's warm milk.

Afterwards, Jenna stands above Lisa Ann as they both pummel their pussies with slender fuck sticks in unison. In a matter of moments, Presley begins percolating with pop, literally spraying her squirt over Lisa's sweaty body. In a few more moments, she is hit by another one of Jenna's gooey gash blasts, followed by another. Once sufficiently dehydrated, Jenna falls to her knees and licks the squirt off Lisa's legs and stomach. It's an incredible sight

indeed that leaves Morgan licking his lips behind his lens!

As the second day of filming unfolds, Lisa Ann walks onto her industrial set looking like a world-class dominatrix—wearing a red vinyl dress with a leather flogger in her right hand. “You fuckers ready for me?” she hisses, getting into character. As she strolls around her dilapidated surroundings, she sees sexy blonde, Alysha Rylee tied up in chains, while Karlo Karrera—a well-hung hunk—is fastened to a guillotine. Ready to entice her kinky captures with hardcore sex, she moans, “I should let you out so I can play!”

Soon they are free, and the girls are on their knees, slurping back Karlo’s cock as if enjoying a spicy bowl of spaghetti. Mastering his dick from up above, Lisa Ann wraps her red lips around his mushroom tip, while Alysha repeatedly pops his balls into and out of her mouth. “Oh, yeah, eat that shit,” Karrera chugs, watching these two beauties feast on his meaty parts with their happy tongues.

Once Karlo has been sufficiently sucked—he grabs his pretty captor by the arms and leans her over a leather table. After removing her dress, he hikes her right leg up and impales her pretty pussy in standing doggie. Now leaning forward, Lisa Ann grabs Alysha and spreads her legs open. “It’s time for me to feed,” she hisses, eager to get a mouthful of pink meat. As Karlo continues splitting her seam—Lisa buries her face in Alysha’s soggy snapper, cleaning out the blonde beauty with exaggerated swipes from her pointed tongue.

From here, Lisa barks at her fellow sex fiends—urging Alysha to give up her asshole to Karlo so that she may watch. Unable to say no, Alysha gladly honors her master's wishes, leaping on Karlo in reverse cowgirl position. Now on top, she sinks Karlo's claw in her butt and energetically rides him out like a bronco bull. Helping her pummel his pole, Lisa Ann pushes on Alysha's body, encouraging her to go harder and deeper. Like a good little slut, she does!

Continuing with the sexual depravity of the day, Lisa Ann breaks down all barriers in her first interracial gangbang that has her pinned between five chocolate studs: Lexington Steele, Tee Reel, Jack Napier, Jon Jon, and Prince Yahshua. Entering their deviant domain in a gold skirt, cropped jacket, and stiletto heels—Lisa Ann looks every bit the part of a perfect porn slut. As she glides past the group of men—whom are sexily adorned in sleek black clothing that matches their dark complexions—she tastes each mouth with her lips, and inspects their jumbo-sized cocks with her hands.

"Have at it, boys," she eventually smirks, planting herself down on lounge chair and spreading her legs open. One by one, the men invade her personal space, removing her clothing and pawing at her curvy body as if they were health inspectors. It's definitely a heart pounding type of situation.

Before too long, it's an absolute free for all with all five men doing exactly what they wish with Lisa Ann. Flipping her around and swapping her out from cock-to-cock, Lisa succumbs to double penetration annihilation followed by her being rendered airtight on a number of occasions. She responds well with a community blow bang session, followed by the men dousing their chocolate pudding across her creamy cupcakes. It's nothing short of delicious.

Although our time on set concludes when the last drop of baby batter hits her tits, we're happy to report that the party rages on. Also included in this production, is a jaw-dropping masturbation session that brings the house down, followed by a POV style blowjob that has Lexington Steele lowering his anchor down her skilled throat. It's everything you can imagine...and then some.

Truly delicious from end to end—Lisa Ann is perfectly idolized from every angle in this winning production, proving that she really *Can't Say No*. Sexually slick, seductive and very compromising—the results will leave us all on our knees in a deserved chant of, "We're not worthy!"

PEACHES, VIVVEN & SANDY

Every guy dreams of a daisy chain like this trio of tongue tangoing tarts in action...

It's said that the tongue is the strongest muscle in the human body, with over 20,000 different uses. All Peaches, Vivien, and Sandy know is that the tongue is one talented mass of love muscle that lets them taste the flowers and bud the tight little buttholes of kinky wet lesbo sex. And they're only interested in about a handful of the tongue's different uses. Wait—better make that a mouthful. The tongue flickers, licks and probes even the deepest, darkest-pink penetrations, always offering up a taste of the forbidden in the long lost art of the tongue fuck. Slippery and delicious, an old fashioned two-hole tongue fuck is an awesome adventure in ass-to-mouth-to-pussy play, but a long sustained fold and fuck requires tons and tons of tensile tongue strength. And there's nothing tongue-in-cheek about any of that, except of course, when there is. 🍷

CELESTE STAR

With a heavenly body like Celeste's, it's easy to satisfy those needs...

30804

“I have many different sides,” Celeste told us. “One day I might want a hard cock driving fast and furious deep inside my tight little pussy, and on another a girl’s tender tongue might be what I’m craving.”

That diversity has made Celeste one of porn’s most wanted performers. Directors beg for her to appear in their movies. Check out any one of Star’s scorching scenes and you’ll be an instant fan. If her flawless, natural beauty doesn’t make you want her even more, watch her in action and you’ll be worshipping her and your dick at the same time.

“That’s what’s best about this business,” she continued. “When you shoot a scene you realize that it’s being done for millions to use to get themselves off. That’s the part that turns me on the most!” ♣

SHAYE & BILL

*What this girl wants, she gets,
and gives just as good...*

A photograph of a man and a woman in a sexual encounter. The woman, with long brown hair and wearing a light pink short-sleeved shirt, is lying on her side. The man, who is shirtless and muscular, is leaning over her, kissing her neck and shoulder. He is holding her with both hands. The background shows a room with a ceiling fan and some lights.

Shaye likes having a friend with benefits. If she's in the mood, it just takes a quick text to her FWB, Bill, and 20 minutes later, she knows she will be in the midst of another hot sexual encounter.

"I don't have time for a full-blown relationship," Shaye told us. "With my college classes and work schedule, it's tough to find time to take care of myself. That's why this sort of situation works out perfectly. When my pussy craves some attention, I know I can get it pretty much any time of the day or night. Bill just lives around the block and works from home, so he's always around. Besides, why would I need anything other than a hard cock?"

This time, Shaye told her fuck buddy that she wanted him to take care of her head to toe, and he took it quite literally. Starting with her little tootsies and working his way up to her twat, Bill teased her along the way. Shaye couldn't take much more, so she sucked him until he was good and hard, and the fuck session was in full force.

"I like a man who can handle me," she confessed. "That means being able to get me off, and get me off quick. Time is valuable to me, so lick it, stick it and bounce. Leave me satisfied and I will call you the next time I'm horny." ♣️

A Porn Parody

Vivid Super Heroes XXX

This sexy British cougar came to America in search of fame, fortune, and fucking, and she's doing it all as one of porn's A-list attractions...

After working in an office setting for several years, what made you decide to try your hand at a career in adult entertainment?

I was really bored working in an office setting, and I had just ended a relationship. At the time, I was searching for an exciting, new life. Then one evening, I was watching an adult movie with a friend of mine

and the idea came to me, 'Hey, I can do that.' I thought about it for a while, and then decided that porn was exactly what I wanted to do. From there, I had some really nice pictures taken of myself and researched the internet market and sent those pictures out to production companies. Quickly, I was invited to London where they shot me. This all happened in 2008.

So, it seems as though your life was at a crossroads. We're so glad you had the courage to take a different path.
Yes. Thankfully, it has worked out extremely well.

Once you affiliated yourself with the industry, was the porn experience all that you expected it to be?

Well, I didn't go into it with too many expectations. I knew it would be different then what you see on the camera. I tried to have an open mind. I just allowed it all to unfold.

Where there any differences or surprises you weren't expecting?

Going on a porn set for the first time was a bit surprising. There were so many new things to see, experience, and learn about. In porn, we're learning new things all the time. What seems to be really normal to me now, was so new and foreign to me at the time. I was so nervous in the beginning.

Can you share some details with us regarding your first professional scene?

The first scene that I shot was with a guy named Danny D, who had an 11-inch cock. That was a surprise! That was a *big* surprise! In fact, a friend of mine and I got out a measuring tape just so we could get the accurate length of it. Yes, he was 11-inches! He played the role of a handyman that came out to fix my shower. Of course, he ended up cleaning out my pipes instead. It was a hot scene.

Being sexually active with people outside of porn, it isn't likely to run across many that have uncoiling, 11-inch cocks, is it?

No, it's not likely to run into men with cocks like that. Actually, before I knew what he had in his pants, I was sitting in the makeup chair, getting my hair and makeup done when he came in. Excited for our scene, he began working with himself. When I turned around, his huge cock was in my face. I thought to myself, 'Oh, my god!' It was so funny. (Laughs)

Another thing about porn productions that I personally found to be quite surprising was the amount of people it takes to create a single movie.

Yes, but that also depends on the type of set you are on. Some are larger and require more crew than others. For my own website: www.TanyaTate.com, sometimes it's just me and my camera-man. As my site grew, the crew grew as well, to maybe having a makeup artist and an assistant, too. When you shoot

for big companies like Digital Playground and Wicked Pictures, the crew is large. There's a person for everything—even a person to help wipe up, a person to hold the camera, a person to hold the mike, a person to hold the script, and so on.

Do you find that you are more comfortable working on a smaller, more intimate set, or a larger, full-scale production?

At this point, it doesn't really matter to me. Whether large or small, it is always a professional environment. I'm fine either way. One time, I shot a movie where a guy actually brought one of his mates along with him on set. When the camera wasn't rolling, his mate was a total jerk and was trying to hit on all the girls, saying stuff like, 'Hey, can I take you out?' That wasn't cool. That wasn't cool at all. This is our place of work. Finally, I had to say something. He was making me feel so uncomfortable. It wasn't cool having this creepy man hitting on everybody while we were trying to make a movie.

Do you think there is a certain misconception that some people may have about you because of what you do for a living?

Oh, yeah! I get it all the time. It's a real turn on to imagine the fans fantasizing about having sex with me at home. In fact, most fans would love to have sex with their favorite porn star. It's when the guys try to turn that fantasy into reality that things get tricky. I do a lot of fan shows and have the privilege of meeting loads of fans. However, some fans can't take no for an answer. Some fans show up and ask to have sex with me or ask me out on a date. If I politely decline, they say, 'All right then, fuck you!' or, 'I don't need girls like you. I have lots of girls.' If I say 'No,' other people start complaining and asking why. It makes me feel so uncomfortable. I say to

myself, 'Well, I tried my best to be polite.' Just because I am a porn star doesn't meet that I am open to fucking anybody. But, if they insist on fucking me, I tell them to go to www.FuckTanya.com. There, they can purchase my Fleshlight toy, which is an exact replica of my pussy.

What is your preferred time of day to have sex?

It all depends on my mood. Sometimes in the morning, it's fun to get off and start your day by fooling around in the shower. If I've been web-camming all day, then my sex drive is going to be high. I'll have to take a break in the middle and take care of business. Really, it all depends on my mood.

If you could fuck anybody on the planet, who would you choose?

What a curious question. Let me think about that one. Actually, I was asked this question once before but I forget what I said. Oh, I remember now. My answer was Sheamus, the Irish wrestler that performs for the WWE. I always tweet about him when he's on the tellie. He's such a big man. I could just imagine him throwing me around the room. How extraordinary!

Of all the porn stars you've worked with, who have you shared the strongest sexual chemistry with?

James Deen is an excellent performer. He puts his all into every one of his scenes, but, the best sexual chemistry is going to come from a guy that is really into me. That is the best feeling and the best scenario. I've also done great scenes with Chris Johnson and Xander Corvus. The industry is full of hot guys. As far as girls are concerned, I adore working with India Summer and Julia Ann. Those women are spectacular. Celeste Star is another girl that is high up on my list, as is Lea Lexis. After my scene with Lea, we couldn't stop kissing each other. I'm spoiled for choice.

What are some of the perks of being an A-List porn star?

Aside from having loads of hot sex? I have developed lots of great friends and am able to reach out to them through Facebook, Twitter, and other social media sites. Even though the relationships are virtual, I've still managed to become really good friends with people from around the world. That means a lot to me. Since my fans know I love comic books, they often send me great copies of comics or statues of my favorite characters. The presents are really sweet and appreciated. If fans send me lingerie, I take pictures of myself in it and send it to them. My position in porn makes me feel happy and very grateful.

What are some of your guilty pleasures?

I love white chocolate cookies. They are so delicious. I heat them up in the microwave and eat them with vanilla ice cream. I also enjoy eating cupcakes. I wish that sweets weren't so bad for you. After eating those types of goodies, I really need to work out even harder at the gym.

As one of the most beloved and respected MILF/Cougar performers in the industry today, what do you think it is about this category of women that drives men wild?

The idea of bedding a hot, experienced, older woman, who knows what she wants is an unbeatable combination. This type of woman is in total control of her sexuality. Sometimes, I suppose, some men would want that type of woman to take control over them too. I have a lot of fans that request fantasy role-playing where they'd like me to play the role of a hot mum. These guys want to be seduced by me. It's the image of a hotter, older woman who is out there getting what she wants, how she wants it, that drives men crazy.

Since you previously mentioned that your partner is turned on by squirting cum in your eyes, will you try anything to get your partner off?

I'm big on turning my partner on. I'll gladly do whatever it takes. Knowing that they are turned on, turns me on. I'm not afraid to branch out and try new things.

What do you consider your sexiest physical attribute?

Many fans have commented on my boobs, my legs, and my feet. I keep my feet and hands up and have a pedicure and a manicure done every two weeks. I'm always dolled up from head to toe. My fans love to see me in stockings, showing off my long legs. Can I pick all three?

In your professional life, do you enjoy working with the younger talent, or do you prefer fucking the seasoned players?

Again, it depends on my mood. Sometimes it's nice to feel like a kid in a candy shop with so many yummy possibilities to choose from. The seasoned players certainly know what to do, so you know you are going to get off and have a great time. As far as the newbies are concerned, sometimes it's fun being more aggressive with them and teaching them how things are done. It's fun manipulating the scene with the newbies, in conjunction with the director, of course, and telling them what to do. They just look at me with their bright eyes and say, 'Okay, Tanya.'

Are you the type of person that likes to dominate, or be dominated?

I'm not really a submissive person. But, if I'm working with a performer like James Deen, I just know I'm going to be thrown around everywhere. With him, there's no choice. He's fantastic!

Are you a practicing cougar on and off camera?

(Laughing) I bet they all want to know that, don't they? I'll have to say that I think that younger men certainly have a lot of sexual stamina and they can just go, go, go. They are definitely a lot of fun. I've enjoyed many. We'll just leave it at that. (Laughing)

Are you known for bringing your work home with you?

This sounds like another question coming directly from the mouth of a fan, is it?

Yes, it is! Enquiring minds want to know the ins and outs of the great, Tanya Tate.

(Laughing) Since I web cam at home, I will say, 'Yes!'

Do you have any special talents?

Well, I am really good at dirty talking. I love dirty talking to the camera, with my sexy accent. Men love my accent. And, I used to drive a motor bike. I would ride it around and it was hot having so much power beneath my legs. Since I wasn't riding it around as much as I would have liked to, I sold it and bought myself a pair of boobs instead. I think my fans would all agree that I made a great choice! 🍷

HENNESSY & MIRA

As filthy as they are pretty, these gal pals were born for porn...

For dyke dames, Hennessy and Mira, it was lust at first sight. As soon as they laid eyes on each other while shopping in the mall at the lingerie store, these two Sapphic sluts knew they were destined to become serious sweethearts. As so their bi-weekly carpet munching get togethers began.

Alternating between their two apartments, Hennessy and Mira lock lips, grind hips, and polish pearls for endlessly ecstatic hours on end, stopping only when they are both plumb wore out. They've amassed quite the collection of toy cocks between them, and choose a different one to use on each other each and every time they gather together to get their girl on. Hennessy is wholly hooked on the taste of Mira's special she-honey, and as for Hennessy, well she is addicted to the ultra-fine feel of Mira's nips and nub when rubbed against her tongue. These two are truly a snatch match made in heaven! ♣

ABELIA, VALENTINE & DAVE

The fuck buddies share, and share alike...

Dave sticks a middle finger into Abelia's tight ass to see if she's ready to fuck. His finger comes out dripping wet. If Abelia was a cake it would mean she's not done yet, but a damp dumper is a sign that she's ready for a stiff dick to fuck her.

While David tests Abelia's cornhole, Valentine spreads her sweet saliva all over his dick, making sure it's rock-hard and ready to bang some booty. When she's satisfied that his pasty prick is properly primed, she grabs it and guides it gently into Abelia's ass.

Her cheeks squeeze like an accordion, but the concord of sounds comes out of her mouth. Valentine sticks two greased-up digits into Abelia's cunt and bangs her hard. David's dick spits a hefty load straight onto the girls' faces.♣
